Program Agenda

- 7:15 – 7:40 Registration and breakfast
7:40 – 8:00 Welcome and Opening Remarks
8:00 – 10:30 **Featured Project – Alliant Energy**

Alliant Energy will discuss how environmental regulations, shifts in fuel sources, smart technology, and environmental concerns shape their projects. They will walk through the maturation of project management at Alliant.

10:30 – 11:00 Break

11:00 – Noon **Kent Stock “How do you want to be remembered?”**

The daily details of everyday life often cloud our ability to see the big picture. As depicted in the 2007 film, “The Final Season,” the nationally recognized Norway baseball team came together under head coach Kent Stock to defy the odds and win Norway’s 20th state title in what would become the team’s final season. This experience and the motivation he used to guide Norway, has given him the insight to develop leaders in organizations across the country.

Noon – 12:45 Lunch

12:45 – 4:15 **Bob Chiusano “Career Development” and “Change Management”**

Bob Chiusano—RMC Consultancy, LLC and the former Executive Vice President and COO of Commercial Systems at Rockwell Collins, Inc.—has been described as Engaging. Passionate. Thought-Provoking. Informative. He is a highly recommended speaker who will energize our afternoon sessions.
